

Selective investing in high growth

Our proprietary research is key to navigating this under-analysed universe. Our bottom-up research ap-

Our Swedish-based investment team's hands-on approach results in an extensive number of research meetings continuously identifying the changing landscape. In addition, the Swedish-based team is part of a specialised global equity firm, which enables us to leverage our local insights with our global outlook.

We are committed to continuously exploring the Swedish small-cap market segment and finding exciting growth opportunities going forward. We are convinced that the key to success and achieving superior investment returns is an active and focused approach.

- Extensive experience in selecting
- Swedish small caps
- Local insights coupled with our global outlook
- Our relentless focus and selectivity form the basis for future long-term value creation
- Consistent and proven, active investment approach

Our ambition is to be the lead investor in Swedish small caps, and we look forward to making a difference for you.

Since 1986, we have been dedicated to delivering long-term value to our clients by analysing investment opportunities through a global lens.
